

Terms of Service

We build a community by connecting people around you through a chronology of corporator ward, pin code, city, district, state and country.

We provide global access to service. We don't charge you to use our website or the other products and services covered by these Terms. We use your personal data to show you ads that we think will be relevant to you and your interests. By using our products, you agree that we can show you ads, as per your area of interest.

We don't sell your personal data (unless you give us specific permission) such as your name, email address or other contact information which can directly identifies you to advertisers.

The services we provide

Our goal is to reduce the gap between politicians and general public. To create a community of such people which will help each other to grow socio-economically and politically.

On our website/app user can connect to politician who are responsible for your socio-economic growth. We provide a healthy environment to you, where you can share your opinions, queries and can raise complaint of any event with accuracy.

We believe that our services are most useful when people are connected to people, groups and Politicians, who are accountable for socio-political growth. User can get personalized interaction with politicians.

By creating an account on website, user can post, comment and express themselves about any social or political event. You can create more engaging content with transparency and accuracy.

Users can search any politician across country, check their profile and see their plan of action for the future of area, which comes under the respective politician. User can also explore the work done by politicians in their tenure. Based on these facts' user can like profile , work and post of the politician.

Users can compare the work of politician who are standing for elections. They can check the politician's profile on our website for more authentic information. Our website help user to choose right candidate to vote by providing transparent and accurate data.

User can tag politician in a post or complaint. The complaint of specific event needs to be updated with exact GPS location. Transparency and accuracy should be top most priority or requirement while posting such post or complaints. Fake/false information must not be shared.

User can check the status of his complaint, whether any action has been taken or not by a politician on it.

For Politicians:

- Politicians from across country can create their profile on our website
- Politicians can update their future plan about the area which comes under their authority. They can represent their vision about the growth and development of the area. This will help the voters to understand the politicians plan of action for the social-economic development of the area and voters/people belongs to that area.
- Politician can also represent the work they have done in their tenure. Politicians can response to queries/complaints of people and if require can take action on it. They can update the status of the complaint/query raised by people. This will create a better understanding between politicians and people. This transparency will lead to better future and development of people.

With such give and take of information, we aspire to build a forum where we can get the solution of our complaints. Together we as people and society can help each other to grow.

We as community through our website will provide you safe environment to express yourself. We urge users to use this medium in right way and do not misuse this platform. We will take strict actions against that user, if we found anyone misusing our website to spread fake information, not abiding to our policies, showing harmful conduct towards others.
